All figures represent students in state-supported programs and exclude University Without Walls.

† ALANA percent based on percent of U.S. citizens reporting.
‡ URM (Underrepresented Minority) includes American Indian/Alaskan Native, Black/African American, Hawaiian/Pacific Islander, Hispanic/Latino, and those who declared multiple race/ethnicities (except Asian and White).

* A redesigned SAT started being administered in March 2016 and used for reporting starting in Fall 2017. Scores for prior years have not been converted, and therefore, scores for Fall 2017 and beyond are not comparable to scores in prior years. Test scores (SAT and ACT) became optional for Fall 2021.

New England Regional students are classified as out-of-state.

# Fall 2020 and Fall 2021 admissions cycles occurred during the COVID-19 pandemic.
