Data do not include students who were enrolled in a doctoral program and left with a master's degree.

Data include both full-time and part-time students.

Credits required: Number of credits required to complete program (including thesis, if applicable)

Cohorts: Students entering a master's program during the academic years (summer, fall or spring term) indicated.

Currently active: Status effective as of Fall 2020.

Based on currently active master's programs with at least five students entering between 2011-12 and 2015-16.

Programs where less than five students entered the program between 2011-12 and 2015-16 are not displayed but are included in the totals.

The number of years of data available ranges from 9 years for 2011-12 to 5 years for the 2015-16 cohort.
