Federal regulations give schools the authority to allow a student to borrow a Federal Direct Unsubsidized Loan when the student's parent(s) have ended all financial support and have refused to complete and sign a Free Application for Federal Student Aid (FAFSA). Students who request consideration for the loan should read the information on our website about unsubsidized loans and have one parent complete and sign this form.

Note:

- This form does not allow you to apply for financial aid as an independent student.
- You are requesting only an unsubsidized loan subject to the limits for dependent students.
- No other federal, state or university need-based aid will be available, including the Federal Direct Parent PLUS Loan.

Information for Student:

If you meet the conditions above but your parent will not sign this form, you may submit a letter from a third party (e.g., teacher, counselor, clergy, or court) who is familiar with your situation and can describe your relationship with your parents. The letter must be on appropriate letterhead.
