

- ✓ Yield to pedestrians.
- ✓ Always walk your bike across crosswalks.
- ✓ Use a bike light, reflectors, and reflective clothing to make you more visible at night.
- ✓ Always wear a bicycle helmet and make sure it fits correctly.
- ✓ Register your bike online with UMPD Project Protect.

Bicycle Safety

UMass Amherst Police Department
Student Affairs and Campus Life

Each day, as many as 50,000 people travel across the UMass Amherst campus in cars, on motorcycles, mopeds, bicycles, skateboards, scooters, and on foot. Campus is a busy place and dangerous situations can arise if we don't all pay attention.

To ensure the safety of all members of the UMass Community:

- ✓ Respect all motorists, pedestrians, and bicyclists
- ✓ Unplug from technology while riding, walking, and driving.
- ✓ Wear a bicycle helmet, even on short trips.
- ✓ When riding on the roads, obey all traffic laws.
- ✓ Share the walkways and the roads.
