

- ✓ Yield to pedestrians at crosswalks.
- ✓ Be aware of other drivers yielding to pedestrians.
- ✓ Obey speed limits.
- ✓ Don't be distracted – pedestrians are everywhere.
- ✓ Never drive under the influence.
- ✓ Don't text while driving.

Automobile Safety

UMass Amherst Police Department
Student Affairs and Campus Life

Each day, as many as 50,000 people travel across the UMass Amherst campus in cars, on motorcycles, mopeds, bicycles, skateboards, scooters, and on foot. Campus is a busy place and dangerous situations can arise if we don't all pay attention.

To ensure the safety of all members of the UMass Community:

- ✓ Respect all motorists, pedestrians, and bicyclists
- ✓ Unplug from technology while riding, walking, and driving.
- ✓ Always use your blinkers to signal your intentions.
- ✓ Follow the rules of the road and be courteous to those around you.
- ✓ Share the road with bicycles and pedestrians.
