

✓ **Stop** before you cross!
Look before you **Go!**

✓ Use crosswalks

✓ Make sure that cars stop before you cross, even if you have the right of way.

✓ Wait for the “walk” signal.

✓ Watch for bicycle and vehicle traffic.

✓ Always walk on a sidewalk.

Pedestrian Safety

UMass Amherst Police Department
Student Affairs and Campus Life

Each day, as many as 50,000 people travel across the UMass Amherst campus in cars, on motorcycles, mopeds, bicycles, skateboards, scooters, and on foot. Campus is a busy place and dangerous situations can arise if we don't all pay attention.

To ensure the safety of all members of the UMass Community:

- ✓ Respect all motorists, pedestrians, and bicyclists
- ✓ Unplug from technology while riding, walking, and driving.
- ✓ Follow the rules of the road and be courteous to those around you.
- ✓ Watch for bicycles, skateboarders, etc. while using university walkways.
