This form must be accompanied by a typewritten letter describing your background, experience and interest in animals. Indicate your extra-curricular activities and work experience while at UMass as well as your career objectives and reasons for choosing a major in the Animal Sciences area. The typewritten letter is very important part in the consideration and selection of scholarship recipients.

Return completed application in a sealed envelope NO LATER than 4:00 p.m. on April 29, 2013 to 427Z Integrated Sciences Building (slide under door if office is closed). Make sure application is complete with typewritten letter attached. Decisions will be mailed to students by early fall.
