

Please use this form to request enrollment of students in an Independent Study (AnimlSci 296, AnimlSci 396 or AnimlSci 496). All levels are repeatable multiple times for letter graded credit.

Please use a separate form for each project title/type.

Title of Project:

Science Day requirement: Abstract/Journal to faculty Poster

Instructor:

Student name	ID	Course	Credits

NOTE:

- Credits must be available on the student's SPIRE account or the class cannot be added.

Students are allowed 19 credits per semester. To take more than 19 credits, students must request a credit overload from the CNS Academic Dean. Information is located at: <https://www.cns.umass.edu/advising/petitions-and-forms>

Send completed form to mschneider@vasci.umass.edu to register students.
