Hi!

If you are waiting for a sign, this is it!

Every year, over 1,500 students transfer to UMass Amherst. Some transfer because it is the next step of their academic journey after earning an associate degree; some transfer to be closer to home; some transfer because their first choice school isn't the best fit for them; and many transfer to us due to limited opportunities at their institution. Does this sound like you? If so, UMass Amherst is a place to call home for the rest of your undergraduate career.

We believe transferring shouldn't be difficult. My team and I are here to make transferring as easy as possible. You do not need to navigate this process alone! You'll have your own transfer counselor to help you every step of the way. Your counselor will be able to advise you on the transfer process, how your transfer credits will be used, and ways to start connecting with the UMass Amherst community of students and faculty.

We are a community of pioneers, builders, and unconventional doers who are committed to the pursuit of progress. We don't wait for change, we create it. If you are ready for a change, apply today!

Be well,

Morgan Donovan-Hall
